3. CERTIFICATION SERVICES

The following was approved:

a) Distance shall be calculated from Gaborone as the base for the Certification Body,
b) Noting the delays encountered to conduct audits (due to unavailability of auditee/clients) and inspections (due to delayed release of test results), the Unit shall conduct audits* and inspections** once a year.

NOTE 1:

Audit duration shall be calculated based on IAF MD5 - *Determination of audit time of quality, environmental, and occupational health & safety management systems.*

***ISO/IEC 17021-1 9.1.3.3** Surveillance audits shall be conducted at least once in a calendar year, except in recertification years. The date of the first surveillance audit following initial certification shall not be more than 12 months from the certification decision date.

****ISO/IEC 17065 7.9.1** BOBS shall initiate surveillance of the product(s) covered by the certification decision in accordance with the certification scheme or as specified under ISO/IEC 19065 7.93 or 7.94.
